

Space-saving, room-beautifying, power-packed PC

EXTREME PC PERFORMANCE

The VAIO® LT PC/Display all-in-one is powered by Intel's incredible new hafnium-based processor technology. Faster and more efficient than ever, the next-generation Intel® Core™ 2 Duo T9300 processor (2.50GHz¹), with 6MB of L2 cache and an amazing 3GB of pre-installed system memory, turns up the speed on multi-tasking while curbing energy consumption.

The VAIO® LT PC/Display comes pre-installed with Genuine Microsoft® Windows Vista® Business with Service Pack 1.

Offering a massive boost in wireless connection speed and range, work and play quicker almost anywhere within your office or home using next-generation 802.11n integrated wireless LAN technology³.

Store your important documents, presentations and favorite photos on the roomy 500GB² hard disk drive.

ENDLESS MULTIMEDIA FEATURES

Watch all of your favorite movies and video clips in stunning clarity on the 22"¹⁶ widescreen display using XBRITE-HiColor™ technology so you can see deeper blacks, brighter white, true-to-life color and razor-sharp detail from almost any angle.

Whether it's for your company website, a business project or for sharing with friends and family, editing digital video captured by your Sony Handycam® is quick and easy with VAIO® Movie Story software. You choose the supplied template and professional-looking cutaways, cross-fades and soundtrack syncing are automatically done for you.

Stay connected to colleagues, friends and family at the office or at home with real-time video conferencing⁴ using the integrated MOTION EYE® camera and microphone.

CONTEMPORARY YET FUNCTIONAL DESIGN

Mount your 22"¹⁶ widescreen display on your bedroom, kitchen or office wall¹⁵ and store the fold-up wireless keyboard and mouse underneath for a chic, space-saving computing experience.

Five hi-speed USB 2.0 ports and 1 ultra-fast i.Link interface⁹ are conveniently located on the back and sides for easy access and let you attach virtually all of your peripherals without having to buy additional hardware.

Beautify your place of business, from the lobby to the corner office, with the VAIO® LT PC/Display, a high-performance PC cleverly tucked behind a gorgeous widescreen LCD display. Elegantly framed with a transparent border to produce a stunning floating effect, the VAIO® LT PC/Display is an astonishing PC showpiece that reflects corporate sophistication and style.

UPC Code: 027242742543

1. GHz denotes microprocessor internal clock speed; other factors may affect application performance. CPU speed will be reduced under certain operating conditions.
2. GB means one billion bytes when referring to hard drive capacity. Accessible capacity may vary. A portion of hard disk space is reserved as a recovery partition.
3. Requires 802.11n compatible access point. Some functionality may require Internet services, which may require a fee.
4. Broadband Internet service required along with third party services which may require a subscription or other service fee.
5. DVD media/formats are not universally compatible.
6. Viewable area measured diagonally.
7. Non-metric weights and measures are approximate and may vary.
8. Measured at the narrowest point.
9. i.LINK is a trademark of Sony used only to designate that a product contains an IEEE 1394 connector. All products with an i.LINK connector may not communicate with each other.
10. Total Available Graphics Memory refers to the new Windows Vista® classification of graphics memory, which is the total of Dedicated Video Memory, System Video Memory and Shared System Memory. Shared System Memory varies depending on the operating condition and system memory size.
11. See actual limited warranty for details. For a copy of Sony's warranty, please visit www.esupport.sony.com, call toll-free 888-476-6972 (888-4SONYPC), or write to Sony Electronics, 12451 Gateway Boulevard, Fort Myers, FL 33913.
12. For certain third party software applications, Sony provides first level phone support. Additional telephone support may be available from the applicable 3rd party vendor. Availability and schedule for any such support is determined by the applicable software vendor.
13. 60-Day Trial Version of Microsoft® Office 2007 - This trial software will work only for 60 days after you first use it. You will not be able to use the software if you do not activate it as described the first time you use the software. You can activate the software by Internet: Internet service charges may apply, if you want to keep using the software after the 60-day trial period, you must convert to the perpetual version. You can convert online by following the conversion instructions presented during setup and paying the required fees.
14. A portion of the system memory over 3GB may not be available to the operating system.
15. Requires wall mount bracket sold separately. Restrictions apply.

Computer Interface: For this product, there are a multitude of varying software packages and add-on hardware options. This product is not manufactured to work with any specific software, and Sony does not and cannot make any warranty or representation with respect to the performance of this product with any particular software packages and/or non-Sony add-on hardware options except those mentioned here. Sony hereby disclaims any representations or warranties that this product is compatible with any combination of non-Sony products you may choose to connect to it. While Sony representatives or Sony authorized dealers may be able to assist you and may make recommendations, they are NOT authorized to vary or waive this disclaimer. Purchasers must determine for themselves the suitability and compatibility of the hardware and software in each and every particular instance. Software titles pre-installed on the Sony computer are subject to change without notice. Preinstalled software may not be identical to retail versions or have all documentation. Features and specifications are subject to change without notice. This product meets the standards of the International Energy Star Program for energy efficiency. Lamp in this product contains mercury. Disposal of these materials may be regulated due to environmental considerations. For disposal or recycling information, please contact your local authorities or the Electronic Industries Alliance (www.eiae.org).
